

“Polarities: an Exhibition of Large Drawings”

The works in the Theatre lobby were done by the Art 203 class to accompany the production. Each artist worked from a general theme: “Polarities—the manifestation of two opposing tendencies.” This topic had to be narrowed then imagery developed to fill the format of the large surface. The scale of the drawing materials and techniques had to be adjusted as the works were developed.

Robin Field, Instructor

Applied Graphic Design Students who Developed Poster Graphics

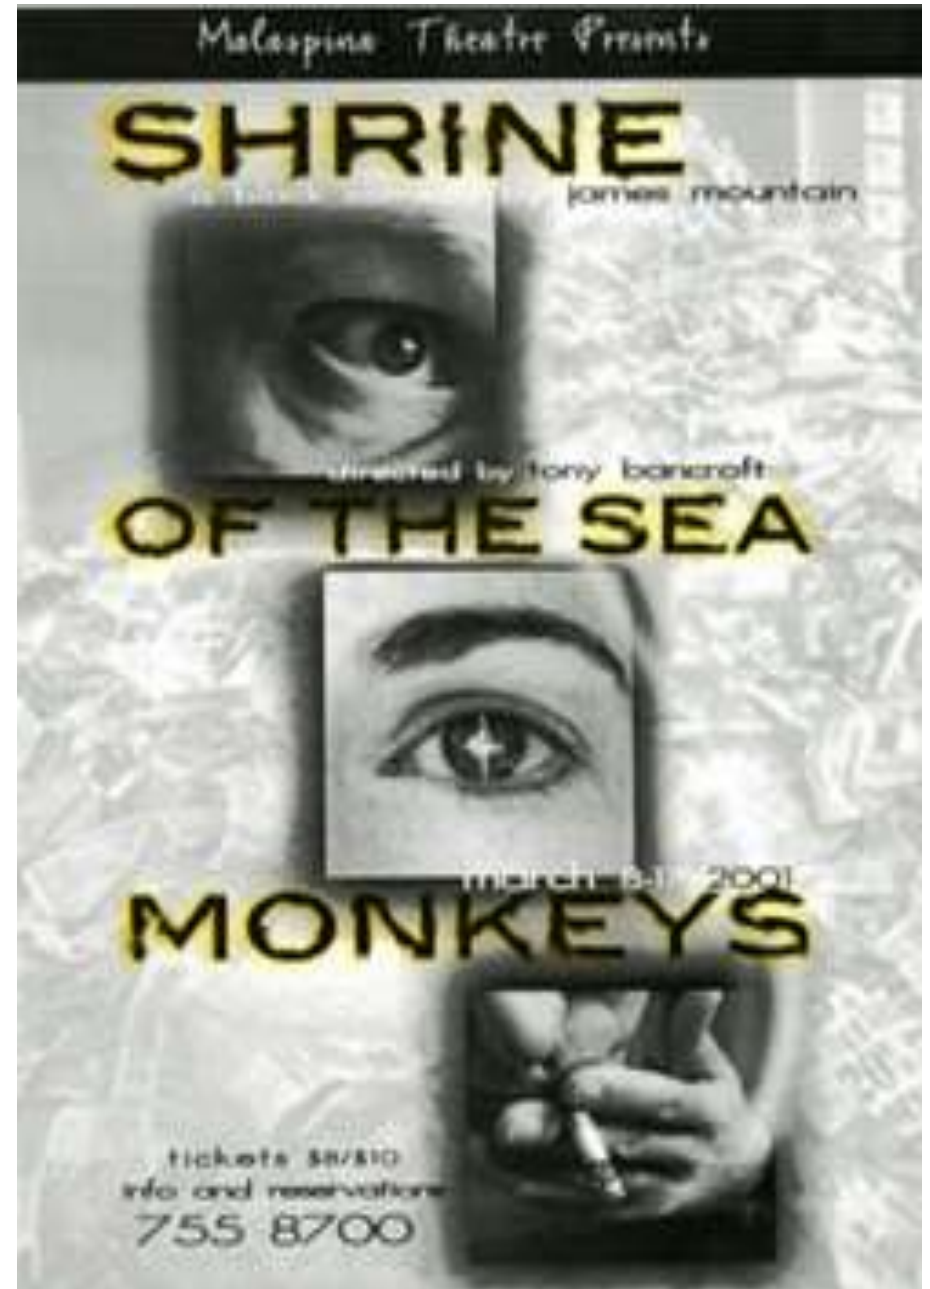

Zeke Aasman	Adrian Irwin	Lance Smith
Kirsten Anvik	Keith Leinwebber	Sarah Sorensen
Michael Briones	Chuck MacQuarrie	Chanda Stallman
Ling Chen	Robert Marshall	Melinda Tymm
Jennifer Dorken	Nicholas Portman	Chelsey Winters
Robert Graham Richard Hatter	Linda Pruden	
	Franco Romagnoli	

Instructor: Rick Conroy
