

ENCORE

The Theatre at VIU has become more than just school to me. I have found a home here, and a place to build the skills I need to achieve my dreams of a career working in theatres for the rest of my life.

~Jocelyn Dickinson

2nd year Theatre program diploma student

I came to understand the whole - how the creation of a production is a testament to collaboration, communication, trust, hard work, and commitment - good life lessons. It is the epitome of tribe, and when it's done right, creates a joyful bond.

~Mary Desprez

VIU Theatre Alumna & Past-General Manager, Belfry Theatre, Victoria

VIU's Malaspina Theatre is important to the TheatreOne season because it is accessible to all age groups, has a super friendly staff of student technicians, and is managed in a professional manner with clear communications. It is a real pleasure to bring audiences up to VIU.

~Eliza Gardiner

General Manager, TheatreOne & VIU Theatre Professor

VIU's Malaspina Theatre is the first theatre space we call to book shows because it is perfect in its intimacy and dimensions to show them well, and it provides a brilliant, up-close experience for the audience.
